## **AUTUMN TERM 2008 TRAINING SCHEDULE**

## HK DOLPHINS SWIMMING TEAM

The Hong Kong Dolphins Swimming team is for athletes who would like to get really fit, feel great and take part in regular swimming meets and social events. Dolphins train throughout the year.

Sessions are between 1,000m to 5,000m., with duration of 1 - 2 hours. There is a junior squad (ages 7 - 12) and a senior squad (ages 12 - 18). Swimmers that make the qualifying times will be entered into ASA swimming competitions.

Potential Dolphins swimmers must start in our Beginner 3 classes. Swimmers must be proficient in all four strokes, starts and turns. Ideally swimmers should have a Bronze speed certificate and have the maturity, commitment and enthusiasm to handle training, before being invited.

Regular swimming meets are arranged. Details will be announced in due course.
